I LOVE IT WHEN MY MOTHER AND I DO THIS TOGETHER:

1. Cut out the mini book along the dark black lines around the exterior.

2. Fold down the vertical center line so that the pictures are on the outside. Unfold.

3. Fold down the horizontal center line so that the pictures are on the outside. Unfold. Fold again so that pictures are on inside and unfold.

4. Flip page over so blank side is facing up, then fold edges in toward center. Unfold.

5. Flip page over so pictures are facing up and fold in half again. Cut book (through both sides) at the dark line. Unfold.

6. Fold along center line lengthwise again.

7. Push two ends of book towards each other, forcing the pages to bend away from each other at the center line. The top of the pages will make a + shape. Crease.

8. Finish by folding the cover over. Crease along the spine.
